

Proposal for Forming an IAA Study Group S 6.7

Title of Study:

50th Anniversary of the Space Era in 2007

Proposer(s):

G.S. James; Ph. Jung; F.I. Ordway; A.I. Skoog

Primary IAA Commission Preference: 6 Space & Society, Culture & Education
Secondary IAA Commission Interests:

Members of Study Team

Chairs: A. Ingemar Skoog and George S. James

Secretary: Philippe Jung

Other Members:

J. Becklake; J. Braun; M. Ciancone; Ph. Cosyn; K. Dougherty; R. Dowling; F. Durant; J. Elder; M. Freeman; R. Godwin; J. Harlow; B. Jones; R. Launius; Ch. Lardier; R. Lieberman; O. Liepack; Y. Matogawa; S. McKenna-Lawlor; H. Moulin; Th. Pirard; K-H. Rohrwild; Ch. Rothmund; J. Villain; F. Winter;

Short Description of Scope of Study

Overall Goal: Coherent overall IAA history programme and secure the publication of the IAA History Series (Proceedings of the IAA History Symposia)

Intermediate Goals:

- Selection of major (regional/national/thematic) topics for the IAA History Symposia.
- Programme/activities for the 50th Anniversary of the Space Era in 2007.
- Secure annual publication of the IAA History Series volumes (Proceedings of the IAA History Symposia). (Is now on a critical path.)
- Coordinate IAA and IAF internal history activities and events.
- Initiate separate study tasks.

Methodology:

- Close coordination with and recommendation to the Commission for the IAA History Symposia Programme Committee, as for themes and staff of ctee.
- Coordinate with and advising of the Editorial Board of the IAA History series volumes. Selection of Volume Editors.
- Encourage and animate ideas for new separate study tasks on the history of rocketry and astronautics by discussions at study group meetings.

Time Line:

- 2007 50th Anniversary of the Space Era
- 2005 – 2008 Publication of the 1997 to 2004 IAA History Symposia

Final Product (Report, Publication, etc.):

- Recommendation for programme and staff of the annual IAC and special IAA History symposia
- Annual publication of the IAA History Series volumes
- Recommendations for IAA/IAF 50th Anniversary Space Era programme activities for 2007

Target Community:

- History scholars
- History institutions, museums and departments of space agencies
- General public with interest in aerospace history activities

Support Needed:

TBD

Potential Sponsors:

- History departments of national/international space agencies and aerospace institutions
- History groups of industrial enterprises

To be returned to IAA Secretariat Paris fax: 33 1 47 23 82 16 email: sgeneral@iaanet.org

Date:

February 09, 2005
