

## SAVE THE DATE: INTERNATIONAL ASTRONAUTICAL CONGRESS

***#IAC2017 Adelaide, Australia, 25 – 29 September 2017***

It is with great pleasure that the International Astronautical Federation (IAF) invites you to Save the Date for the 68<sup>th</sup> annual International Astronautical Congress (IAC). IAC 2017, hosted by the **Space Industry Association of Australia (SIAA)** will take place in **Adelaide, Australia** from **25 – 29 September 2017**. An intense week during which all space actors will gather to discuss the advancement and progress of space in its various features; in particular, this year will be targeting secure access to satellites that provide communications, timing and navigation services and remote sensing data.

IAC 2017 will unlock imagination by focusing on innovation and security, and will offer a rich programme of Plenaries, Highlight Lectures, Technical lectures as well as a Global Networking Forum and many social events abundant in networking opportunities. Heads of space agencies, industries, academia as well as astronauts will be amongst the participants.

The IAC is a professional platform through which over 40 administrative and technical committees support the International Astronautical Federation in its mission to advance knowledge about space and to foster the development of space assets by facilitating global cooperation.

Members of the press are invited to save the date, and [register](#) to ensure that they receive accreditation. Please send confirmation of your registration to [media@iafastro.org](mailto:media@iafastro.org) so that we can ensure that you are properly accredited.
