IAA Study Group Status Report

Responsible Commission: VI

Study Number and Title: SG 6.19 - Apollo 11 Landing Anniversary - From Cold War to Hot Science

Short Study Description (repeat from Study Group Proposal):
Experts in the field of Apollo science, social aspects and history will present their topics at the IAA academy day during the IAC 2019. The presentations are then being summarized for a publication in 2021.

Progress in past six months:
Received commitment from the following speakers
   Bill Barry, NASA Chief Historian: Apollo: A 50th Anniversary Perspective
   Jim Green, NASA Chief Scientist: Apollo's science results
   John Logsdon, M4, George Washington University: "Once we went to the Moon"
   McCurdy, American University: “When the moon is in the seventh house…..”
   Muir-Harmony, Smithsonian: “Around the World with the Apollo 11 Crew”
   Roger Launius, M4, Smithsonian: “Apollo’s Legacy: A meaning for the Moon Landing”

Website Study Information update: (please give any update regarding Study Group Membership, documents, Study Plan and Schedule):
Nothing to report

Issues requiring resolution? (recommend approach):
None

Product Deliveries on Schedule? (If modified explain rationale):
Still plan to deliver a product consisting of above presentations by 2021.

Study Team Member Changes? (List any Study Team Members that you wish to discontinue, and provide names plus contact coordinates of any Members you wish to add on the second page of this Study Update form.) Note: Complete contact information
including email, tel. and fax must be provided for all additions. Only Members with complete contact information will be listed and receive formal appointment letters from the IAA Secretariat.)
