The International Academy of Astronautics will hold its 21st Humans in Space Symposium (HIS) in Shenzhen, China from November 27 to November 30, 2017.

This conference aims to continue to provide a forum for discussion about fundamental and timely issues and trends as well as for developing collaborations through the exchange of research results and ideas in the field of space life sciences.

**TOPICS**
- Analogue Environments
- Astrobiology
- Cardiovascular and Pulmonary
- Challenges of Future Spaceflights
- Circadian Rhythm
- Commercial Spaceflight / Space Tourism
- Education and Outreach
- Exercise and Countermeasures
- Human Factors
- Immunology and Endocrinology
- Muscle and Bones
- Neuroscience
- Performance
- Radiation
- Space Medicine
- Space Psychology
- Space Biology and Space Biotechnology
- Life Support System and Habitats
- Multidiciplinary Studies Related with Humans in Space

**Registration Fee**

**Scientific Program Committee**

**Conference Chairs:**
- Shangguang Chen
- Kourtidou-Papadeli Chrysoula
- Petra Rettberg
- Yulong Tian
- Zhanglu Zhao

**General Secretariats:**
- Yulin Deng
- Fengyuan Zhuang

**Program Committee Chairs:**
- Rupert Gerzer
- Yidong Gu
- Yinghui Li
- Oleg Orlov
- Yufen Zhao

**Local Organizing Committee Chairs:**
- Ruiji Nie
- Shuiyuan Tang
- Luming Zhou
VENUE

Shenzhen, China
Further Details can be found on our website: www.his2017.com.cn

Shenzhen is a sub-provincial city of Guangdong province in southern China, located at the border with the Hong Kong Special Administrative Region. Shenzhen is a center of foreign investment and since the late 1970s has been one of the fastest growing cities in the world. Shenzhen eventually became one of the largest cities in China, which has become one of the economic powerhouses of China as well as the largest manufacturing base in the world.

Shenzhen enjoys a good reputation for shopping and travel. Shenzhen’s major tourist attractions include the Chinese Folk Culture Villages, the Window of the World, Splendid China and the Safari Park, the Dameisha Promenade and Xiaomeisha Beach Resort, Zhongying Street, Xianhu Lake Botanical Garden, and the Minsk World. Shenzhen is famous for the great variety of cuisines that its numerous restaurants provide.

ABSTRACT SUBMISSION

You are invited to contribute a paper for presentation at the Symposium. An A4 one-page, single-spaced abstract of no less than 500 words is needed. Student papers are encouraged.
